I do not consent to be treated.
It goes against my conscience.
It goes against my religion (Christianity).
It is not crazy to be Christian!

(Youtube Video of Dr. Tabitha Rogers saying I am crazy for standard Christian Beliefs)

Here is what criminal lawyers say your options are if you are charged with aggravated assault.

An update on my website.

I would also press charges against (privately prosecute) the SDM that gave consent on my behalf.

Please factor this in when you decide whether or not to force me to submit to your poison.

Also I bought the websites:

canadaforgotgod.com

babylonsoppressionexposed.com

spilledhumanbeanjuice.com

fuckthedog.com

see this post on reynen.ca

I hunger and thirst for justice, like never before! (not vengeance, that belongs to my Abba, Christ Jesus, and the Holy Spirit)

Hereby officially dropping all three of my appeals.

I will take the pills rather than the needle since if it is going to be forced upon me legally ([the royal is state backed trap house](#)) I rather take something slightly less damaging to my body.

If I am discharged I will attempt to flee the country as soon as possible.

I have no confidence in Canada's legal system and Canada forgot God.

I am not going back to rhona and gordon.
