I feel the situation deserves media attention.

I am being literally tortured by Dr. Tabitha Rogers at The Royal and other staff with the official "legal" support of Canada's Government.

This is a MASSIVE Human Rights Violation and LITERALLY torture AND a warcrime (as a result).

Please see this post (in forwarded newsletter below):

CANADA is torturing me in BROAD DAYLIGHT!

UPDATE:

You wouldn't remove a Jew's ability to refuse eating something that isn't Kosher.

You wouldn't remove a Muslim's ability to refuse eating something that is Haram.

That would be torture.

Nation-states do this in black sites, and prisons like Guantanamo Bay.

Would they be...

What "MENTAL ILLNESS" Covers periodic/intermittent Partial/COMPLETE loss of control over body movement/speech? How do psychotropics (SIN) even HELP with that?

Scary fact about living in Canada.

If a Doctor determines you are incapable of making treatment decisions (crazy) - and the Consent and Capacity Board agrees psychiatry is as much of an art as a science - they can even DRUG you pending the appeal.

How do you defend yourself then?

Dr. Tabitha Rogers calls me DELUSIONAL for STANDARD CHRISTIAN BELIEFS.

Recently told me twice that she "DANCES WITH THE DEVIL"!

They even have the NERVE to question my behaviour and call me "labile and in congruent" then confiscate my possessions (despite no certificate saying I am incapable to manage my property) which is ILLEGAL, while I am being LITERALLY TORTURED.

How do you think Muslims or Jews or Christians being FORCED to do things in BLACK SITES / CAMPS/ PRISONS all over the world behave when this is done to them?

I have not once been violent. NOT ONCE. By God's grace! And I have been spit on, threatened, assaulted, emotionally and psychologically abused by staff and patients during this involuntary hospitalization. I have even sexually abused by a CMHA case worker that was my MK ULTRA handler (when I was still an MK ULTRA human slave), Deanne Bass, and when drugged at my last hospitalization (when I was already free in Christ) I was encouraged by my in-patient psychiatrist Dr. Alexandra Baines to have sex with a self-identifying Pagan Witch, Kirsten Kayuk, another in-patient and drugged victim of hers, twice!
