In the event it comes to this (see forwarded newsletter below or check out <https://reynen.ca/worst-case-scenario-tortured-violated-to-death-the-royal-after-public-hearing-with-official-government-support-if-the-judge-sides-w-dr-tabitha-rogers-flee-canada-brothers-and-sisters-in/>)

can you tell me what stereo system you won't confiscate so I can get music to calm me down while I am being tortured and violated?

Might come in handy when I am SCREAMING AT THE TOP OF MY LUNGS QUOTES FROM SCRIPTURE (should it come to this).

I will order it myself and pick out some music or burn my own CDs.

Please advise.

God will get me through this too.

Hi all,

I am formally requesting an adjournment so I can have time to get access to my hospital records (both from the civic and from the royal) as today is the deadline for submitting materials.

I have contacted both parties but am facing many difficulties actually getting access despite the fact that I am self representing.

And, Dr. Tabitha Rogers has obstructed justice by telling me I cannot have access and repeatedly removing my laptop and cellphone and other possessions.

Can I please have an urgent case conference.

Regards,

Steven Reynen
