You doubted my resolve to hunger and thirst strike today.

I am warning you that if the judge rules against me I will trigger code white after code white so I am mechanically restrained constantly (if I am not illegally rendered unconscious by your pharmakeia) so my free will cannot be violated and I will be forced to drink.

Regards,

Steven Reynen

I just gave the original to the staff.

I may have to SCREAM at the top of my lungs so they will physically restrain me so my THIRST strike (if the judge rules against me) will be respected over and over so I will not be free will violated (NTT,SRA) to drink.

PHARMAKEIA is SIN.
