### REASONS FOR CLAIM AND DETAILS

Explain what happened, including where and when. Then explain how much money you are claiming or what goods you want returned.

If you are relying on any documents, you **MUST** attach copies to the claim. If evidence is lost or unavailable, you **MUST** explain why it is not attached.

**What happened?**

**Where?**

**When?**

Dr. Tabitha Rogers said I was delusional to consider myself to be a Christian. This is religious discrimination, spiritual abuse, emotional abuse, and psychological abuse. She also at a later date flashed a 666 hand sign in my face, and later on a different day told me that her current body is her 'glorified body'.

I am seeking \$35,000 rather than seeking more from the Superior Court of Justice.

The audio recording was made April 9<sup>th</sup>, 2025 on the Schizophrenia North unit of The Royal Ottawa Hospital where I am still an involuntary patient.

I want the Canadian Government to officially state that what Doctor Rogers did to me is WRONG.

Please keep in mind, I am still under her care at The Royal, and am involved in other legal disputes with her. I feel unsafe at The Royal, and it is interfering with my ability to properly self-represent and get a fair trial which is a constitutional right.

Other abuses I have had to undergo at The Royal, as a result of her continued decision to keep me involuntary, are documented on my website reynen.ca.
