Greetings,

Dr. Tabitha Rogers informed me there was a case conference today and that I was appointed a lawyer even though I am self-representing (and I am adamant about this). However, she lies to me often, so I am unsure whether or not this is indeed the case.

A staff member (my nurse) told me that it is scheduled for 11, but I do not have any information about this.

Could someone please confirm whether or not there is indeed a case conference and if so, what the information is so I can attend.

I would like to contact this supposed lawyer so I can inform them I am self representing.

Regards,

Steven Reynen
