Dr. Rogers,

If you treat me once more, ever, including an illegal emergency treatment as you could just put me in mechanical restraints first and I have a wish at present, my alternative personalities (not me) are threatening ULTRAVIOLENCE. I hate violence, but because of what happened yesterday, I feel the need to give you a warning. I wish you'd take this more seriously.

If I am treated, what I am saying I will do is kill myself, and barring that, like I have said before, bash my head against the wall until I am unconscious.

So if I am treated again (and this is a horrible human rights violation and torture of the worst kind) out of love for my Abba, Christ Jesus, and especially the Holy Spirit since my body is His temple (even though I am DID), I will need to do something to put an end to it.

So never take me out of restraints if you do this one more time.

I will not be eating or drinking water either, so you will have to have me force hydrated and fed in order to keep me alive, so you can continue to violate my body which is a temple of the Holy Spirit.

You will have to torture me in order to continue to torture me.

In order for this to be avoided, I will have to be 100% free will violated until I am dead. I don't think my Abba, Christ Jesus, and the Holy Spirit will permit this.

How badly do you want to continue to dance with the Devil Dr. Rogers.

And know, that I forgive you everything, and I still want you to be my sister in Christ forever.

Regards,

Steven Reynen

Worse than the Babylonian King in the Book of Daniel.

But Jesus will get me through that too.

You have free will Dr. Rogers.

How badly do you want to dance with the Devil?

The United Nations: Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment defines torture as: "For the purposes of this Convention, the term "torture" means any act by which severe pain or suffering, whether physical or mental, is intentionally inflicted on a person for such purposes as obtaining from him or a third person information or a confession, punishing him for an act he or a third person has committed or is suspected of having committed, or intimidating or coercing him or a third person, or for any reason based on discrimination of any kind, when such pain or suffering is inflicted by or at the instigation of or with the consent or acquiescence of a public official or other person acting in an official capacity.

Dr. Rogers,

In the event you do one more illegal injection, like you threatened today, please have clozapine (the max dose you are willing to start me on and think about how quickly you are willing to ramp up the dosage), Electroconvulsive therapy ready, and how you will deal with the issue of me biting my tongue off if I am in restraints.

You will have to make good on every threat you have made if you violate my body which is a temple of the holy spirit one more time including force feeding me.

If I am able to bite off my tongue I guess no one will have to hear me screaming warnings about Revelation.

Let's see how hard you want to "Dance with the Devil Dr. Rogers"

Christ is LORD. I will NEVER renounce Jesus, but I might die without a tongue.

CCing Rhona and Gordon – Do not respond, I have blocked you. But it is never too late to start being honest. Please never come to the unit, even if you hear I made an attempt on my life because Dr. Rogers violated my body which is a temple of the holy spirit. I love you, but because I love Jesus more, I never want to see you again (temporally – I still hold out hope you both will repent).

If Dr. Rogers does treatment ONE more TIME pending the APPEAL (even Section 25, since it is ILLEGAL) I am QUITE CONFIDENT (90-100%) that will be the LAST STRAW, and I will pull the APPEAL since it would be pointless from that point forward. I will insist on her DOING HER BEST to TREAT MY "RELIGIOUS DELUSIONS (CHRISTIANITY)" out of me IMMEDIATELY. I will insist on her making good on every one of her EXPLICIT threats. I will NEVER renounce JESUS. I will die CHRISTIAN. And I may still attempt suicide because my body which is a temple of the HOLY SPIRIT (even though I am DID) would have been forcibly defiled with sin by her,
