Hi,

Rhona Reynen won't stop harassing me.

I am finally now officially attempting to get a restraining order OR peace bond in the alternative against her.

I am not confident the police will do right by me, but I want to at least try.

In addition to the harassment she also consistently tries to lure me into sin.

Please help facilitate me doing this and tell the police they have your explicit permission to come to the Royal to deal with this matter specifically.

I love her, but I love Jesus more, and this is backed by Scripture.
