Rhona and Gordon Reynen,

You betrayed me to get me here.

You insist on me taking antipsychotics which are psychotropics which are pharmakeia which are SIN.

You constantly try to convince me of this.

This is luring a little one of Christ Jesus into sin.

A brother or a sister in Christ would never do this to me (see Scripture). Gordon you don't pretend to be Christian, but Rhona does.

Dr. Rogers says that she will either start me on Clozapine again or if I won't submit to that (with the BLOODWORK!) she will start me on a Long Acting Injectable (Invega) IF the Canadian Government won't stop.

According to the art/science of psychiatry only Clozapine has any chance of effectiveness now, any other 'treatment' is unlikely to work.

The Clozapine will start killing me again like it did the last time, as you sat by and watched, which still would cause less damage than the long-acting injectables (since my goal is to flee the country and not have the poison forced upon me again. I would once again have to deal with withdrawals). I am thinking the Netherlands since they respect the right to die, and the International Criminal Court is there (forcing something upon someone against their religion is internationally recognized as torture).

Dr. Rogers says she is worried I will attempt suicide if she is able to treat me, and she is right, I actually might, as she would be defiling my body which is a temple of the Holy Spirit (Read the book of Daniel).

She says she will restrict me to my room IF she is able to treat me so I do don't kill myself, which will only compound the problem.

I asked her to think about how she will deal with the possibility that I bite my tongue off to put an end to the TORTURE.

She also says standard Christian beliefs are DELUSIONS, and I will NEVER RENOUUNE JESUS (even if they hang me from a tree like George, I will die praising the LORD, by his GRACE).

This is what you support and want for me.

You say you love me.

I know this is a lie.

Anyone can buy items for someone or say they love them.

It takes hatred to support torturing your own child the way you have.

I actually love you and pray for you both each day, but I love Jesus more so I must do everything I can to do right by him.

Please do NOT ever contact me again or come to the unit.

If you ever come to the unit (in the likely event the police will not support me, as they have failed me too) then I will use my words that will likely result in making both you and dad cry – with the goal being that you never cross boundaries and harass me again in BROAD DAYLIGHT and leave me alone. I won't cuss, I won't use insults. I will use my words to point things out.

Please do not make me do this. Leave me alone. NOW!

I won't even attend your funerals at this point.

Stop, please.

You are hurting me, and in doing so you are hurting yourself.

I forgive you everything you have done to me. But you must stop, I am begging you for your sake.

This is about my eternal family now.

My Abba, Christ Jesus, and the Holy Spirit and my brothers and sisters in Christ.

Repent less ye perish.

I will hold out hope for the both of you always, unless I see the impending physical mark of the beast on your forehead or on your hand.

Christ is LORD.

I will die believing, Scripture cannot be broken.

To God be ALL the Glory.

Regards,

Steven Reynen
